The Community Chest cards are changing, and I voted on [www.monopolycommunitychest.com](#)

SpencerLent · 4/10/2021

"You have won second prize in a beauty contest, collect \$10" will be changed to "You didn't shop local, pay \$50", as Hasbro announced.

Monosatas64 · 4/17/2021

There are several theories with no hard evidence for any of them

- They are not yellow... they are gold, because CC gives out so much cash.
- Since the originals were a much lighter shade of yellow, they represented the parchment used in government notes and bonds.
- The yellow-dye (and red-dye) used in the CC and Ch cards made them cheaper than any other color available, keeping production costs down.
- Charles Darrow just plain liked that color.
- Someone at Parker Brothers really liked that color.

There are 16 cards in the game, but there are 17 above. Which one is not in the current (post-2008) deck?

Grand Opera Tonight. This is the mistake of the article. I have the Community Chest Card that says: "IT IS YOUR BIRTHDAY. COLLECT \$10 FROM EVERY PLAYER". It's a Standard 2013 UK Edition. I even saw someone do an unboxing of a Standard 2014 US Edition and the card was also there. Post-2008 MONOPOLY Sets do not include the Grand Opera Tonight Card. I have proof. In YouTube, search for: "Markis Pea Welby MONOPOLY Unboxing" then choose the video with the thumbnail of a Standard MONOPOLY

available in US sets. It is your birthday is not.

Minecraftboy315 · 9/20/2021

My US Monopoly set from 2013 will tell you that the Community Chest card that instructs you to collect money from the other players says "It is your birthday". The Grand Opera Opening was not available in the deck since 2008.

TheCoolWikiDude · 5/23/2014

Bank error these days show Mr. Monopoly giving a thumbs up gesture.

Creep125 · 2/11/2017

Same with Holiday fund, life insurance, Income tax refund, and the you inherit card.
